REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: appellant's argument that the rejection of independent claims 1, 11, 21 and corresponding dependent claims 2-10, 12-20 and 22 respectively, is a piecemeal assembly of prior art references and does not fairly show obviousness of the claimed invention as a whole, is persuasive.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Almis R Jankus whose telephone number is 703-305-9795. The examiner can normally be reached on M-F, 8-5.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mark Zimmerman can be reached on 703-305-9798. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
